

TERM 2 REMOTE/ FLEXIBLE LEARNING

Welcome back to Term 2 2020. We hope you all enjoyed your Easter break and are rested and ready for a term of remote/ flexible online learning.

The teachers have been working throughout the holidays learning and refining their online skills to teach students remotely.

Students were provided with a remote learning pack on the last day of term 1 which will provide students with enough work covering the whole curriculum for the remainder of this week and next week. The remote learning packs are available for collection at the school office between 9-3:30pm daily.

Teachers will be touching base with families directly over the coming days to discuss how we will transition to online learning for week 3.

You will have been contacted yesterday to see whether you have a device and or internet access at home. We are in the process of arranging devices which will be available via a loan agreement with Hastings Primary School for families who require a device.

As directed by the Victorian Government all students who can work from home MUST work from home. The school will be open with limited staff to supervise students where both parents/ carers have to work and no alternative arrangements can be made.

Onsite supervision must be requested in writing by completing the onsite attendance form and submitting the form by Thursday 3pm the week prior for approval.

We are providing daily updates to our school community via our main communication method FLEXIBUZZ. See the below article to explain how to load this application onto your device.

ATTENDANCE

If your child/ren are unwell and not able to complete their learning remotely you will need to email or phone the school so that we can correctly mark their attendance for the day.

Email: hastings.ps@edumail.vic.gov.au or phone 0359 79 1517

FLEXIBUZZ

We would like to remind everyone that Hastings Primary School's official communication platform is FLEXIBUZZ.

It is essential for remote/flexible learning during term 2 that all parents/carers have this application downloaded on their devices.

The school uses this communication tool to send out updates regarding the school, the school newsletter, reminders, events and much, much more!

All you need to do is;

- 1) Download the APP onto your smart phone or other device.
- 2) Search for Hasting Primary School
- 3) Select the appropriate communication group

<i>Prep- Minnows</i>	<i>Grade 3-4 Kingfisher</i>
<i>Grade 1-2 Sea Eagles</i>	<i>Grade 5-6 Anglers</i>

and you will start receiving updates from the school.
