News Sheet 10: Thursday 16th July

School Photos

We have been able to reschedule our school photos again this year. Photos will now be taking place on Thursday 8th October.

Remote Flexible Learning

Remote learning timetables have been sent out via our Flexishool application to families.

The timetables can be downloaded from our website under the learning from home resources tab.

These timetables are guides to use throughout the day. You may change the order of how your child completes their activities to suit your family.

Please note Tuesday 21st will be a check in free day due to parent teacher interviews, except for students in 3K.

Your child's first check in for the day is mandatory for attendance. If your child is unwell and will not be engaging in their remote learning you will need to ring the school attendance line (03) 5979 1517.

Specialist classes (Art, P.E and L.O.T.E) and afternoon classroom check-ins will be optional, however if you miss the first check-in, please ensure your child checks in during the afternoon time.

The Specialists all have Google Classrooms again with activities and lessons.

Your child will need to use the same login details they used during remote learning in Term 2.

If you can not remember these details please contact your child's teacher via email.

Onsite Supervision

Hastings Primary School will still provide onsite supervision for students (except Tuesday 21st July) who's parents need to work.

Please note the directive is still the same as last term. If students can learn from home they must learn from home.

Parents/carers requiring onsite supervision will need to fill out the onsite supervision form weekly and submit this form by Thursday 2pm the week prior.

The form is available on our website under the learning from home resources tab.

Parent Teacher Interviews

Student Led Conferences (Parent Teacher Interviews) will still be going ahead next Tuesday 21st July from 10am – 7pm with physical distancing for all classes except 3K.

This will be a **no online check in day** for all students (except those in 3K who will still need to check in).

The interviews will be an opportunity to talk to your child's teacher and pick up any materials needed for remote learning. Students should attend the interview with their parent.

Further information will be sent to students in 3K regarding picking up remote learning materials.

Physical distancing = 1.5m apart and hand sanitiser will be available.
