

### Message from the Principal

#### Holidays

The end of term holidays are nearly here. This is a time for students, families and of course our staff to spend time relaxing and enjoying some time pursuing activities not related to school.

Congratulations everyone. You made it through Term Three. We would like to thank everyone for the continued effort they have put towards supporting their students ongoing education through the remote and flexible learning platforms.

We hope you enjoy the next two weeks with your families and use this time to relax and recharge.

We look forward to welcoming back our Foundation, Year 1 & Year 2 students in the second week of Term Four and hope to see the remainder of our year levels join us shortly after following health advice.

As this is our final news sheet for the term I'd like to take this opportunity to put in writing my best wishes to all of our students, families and staff a happy and safe holiday and I look forward to seeing you when we return to school for Term Four .
