

### Foundation– Year 2 Swimming

This week our foundation to Year 2 students have been enjoying swimming lessons. The lessons have been designed to allow students to learn and develop their skills in water confidence, mobility and water safety.

### Virtual Assembly

You will all receive your link to our virtual assembly via email on Thursday. Look forward to you joining us.

### Foundation Transition Sessions

Our 2021 Foundation Student will complete two more transition sessions before the end of the year.

### Books In Homes

This Friday students will be sent come with their very own selection of books. Blue Scope Steel have partnered with Books in Homes to ensure that all students receive two books this year.
