## Term 2 Edition 4

### Tuesday 22nd June

#### Message from the Principal

##### Dear Parents/Carers, Staff, Students and Friends

Wow! It's amazing to think we are now half way through the school year and this will be the final newsletter for Term 2 before the school holidays.

Well done to our students for a fabulous term and to the parents and teachers who support them to make the most of the opportunities that are provided.

I'd like to take this opportunity to wish you all a wonderful holiday. This is a fabulous opportunity to rest and relax, whilst spending time together as a family. I'm looking forward to hearing all about everyone's holiday adventures when we return.

***My holiday GOAL will be to read a novel from start to finish.*** I hope all students have a book or three to read over the holiday period. Make sure you visit the local library as they have an amazing selection.

#### QR Codes

This communication is to provide you with important information about a new update on the health directions under which all schools will be required to operate.

The use of Service Victoria QR codes for electronic record keeping is mandatory for all workplaces to enable the effective contact tracing of any COVID-19 cases. This now includes all education sector workplaces, including schools.

QR codes will be required to be used by:

- ♦ all parents who enter buildings when on the school site
- ♦ all visitors, including contractors, external Department staff and building and maintenance staff.

If you are required to enter buildings on school grounds, for whatever purpose, you are now required to use the provided QR code check-in located within the ADMIN building.

Thank you for your support and understanding of this important health direction.

## End of Semester Reports

Semester One reports will be distributed during the final week of term.

I have enjoyed reading all of our student reports over the last couple of weeks to see all of the amazing achievements our students have made during the first semester – not only academically but emotionally and socially.

Reports will give you a picture of where your child sits academically and their future learning goals.

Please take the time to celebrate your child's accomplishments focusing on their positive attitude and achievements. There is no doubt that the best outcomes for children happen when teachers and parents work positively together to support children's learning.

*I'd also like to take this opportunity to acknowledge our amazing teachers for their efforts in writing these reports. I appreciate the many additional hours outside of the school day needed to assess and support students and provide this valuable information to parents and families.*

## Congratulations

A huge congratulations to Stacey and her partner Rhys for their recent engagement.

## Quill Update

Quill has been working on ignoring distractions. During remote and flexible learning she went on walks daily and needed to ignore rabbits, donkeys, sheep, alpacas and other dogs. She is slowly showing that she can remain calm most of the time, with a little encouragement from a handful of treats. She also met some strange smelling creatures while out and about with Mrs Welsh last week. Quill wished you all a fantastic and safe holiday.

## Staffing News

We are excited to inform you that **Ms. Kylie Lake** will now be teaching 1/2D full time. If you have any concerns please contact Ms. Lake.

**Mrs. Carole Doherty** has taken up a different role within the school and whilst she will continue to work with the junior school students, she will no longer be teaching in 12D.

Welcome to the ES Team **Ms. Sarah-Anne Plymin**. Sarah-Anne has many years experience working in the early Learning Industry and is looking forward to working with the Sea Eagle team.

## Foundation– Year 1 PJ Day

On Friday, the Foundation and Year 1 students (and teachers) dressed in their favourite pajamas and came to school! They had a day full of fun and exciting activities. These included making mini pizzas, completing a directed drawing, making playdough and experimenting with musical instruments. The students had an awesome time having the playground to themselves and finished the week with lots of smiles.

## Somers Day Camp Year 2—Year 6

On Friday 18th June our students were excited to attend Somers Camp.

What a fantastic day the Year 2 students had at Somers camp. They learnt about different types of reptiles, sharks, fish, and even got to pat and feed a lizard! Next, they listened to stories about Waa and created their own 3D picture of Waa. Finally all students got the opportunity to explore the beach; looking out for shark eggs, cuttlefish, seaweed, and shells.

The year 3/4 students enjoyed participating in a variety of adventure activities which supported their health and wellbeing. Working on their personal, social and emotional skills to build individual courage and cooperation as they encouraged each other on the giant swing, flying fox and archery.

The 5/6 students had a blast at Somers Camp. They had the opportunity to complete lots of fun and challenging activities such as the High Ropes course, Orienteering and Rock Climbing.

See the pictures over the page.

# Visual Arts Remote Learning

Foundation – Year 2 students were given a task very separate to our current textile unit that we are undergoing at school due to resourcing.

They were asked to draw a rainbow, using the correct colour formation and order

Year 3 – 6 had the task of learning a few small facts about Pablo Picasso and 'cubism' before creating their own 'Picasso inspired' art works. Well done to the students below!

Artworks by Stella Doll, Amelia Jackson, Taj Bahnert, Noah Doll, Zoey Baker, Edward Penrose, Ava Ford, Landen Munro-Batson, Ruby Smith, Shaun Ralston, Amelia Twaddle, William Wright and Zaiden Wright.

## School Holidays

During winter holidays it can be tricky to keep busy. I recommend making the most of the beautiful area in which we live, and go for a walk on one of our many trails, rug-up and build sandcastles at the beach, or make some mud pies in the garden. If you're not brave enough to get outdoors you can make cubbies under your dining room table, play dress-ups using old clothes instead of store bought costumes, or get baking. Don't forget to take some time to read your school reports, celebrate your successes and set new goals for Semester Two. Your teachers will be

ready to discuss all of this at the upcoming student led conferences.

Whatever you decide to do with your time, I would like to wish all our families a safe and relaxing break, and look forward to seeing you all in Term Three.

**We are a Respectful Relationships school,**

Michelle Aldridge  
Acting Assistant Principal.

1/2J	Ryder Groves	Congratulations Ryder! Your ability to 'roll with the changes' over this period of remote learning has truly impressed me. I commend you on your ability to switch from our usual classroom, to work packs, to online remote learning all whilst coming to school each day and seeing a different set of students, teachers and support staff. You have taken all of the changes in your stride with your usual cheeky smile. I look forward to having you back in the classroom Ryder!
