

Hastings Primary School

Term 3 News Sheet 2 28th July 2021

Welcome to Term 3

It is great to have all students back onsite today. You have all done a fantastic job embracing remote learning again.

All of the teachers & staff at Hastings Primary School are excited to have everyone back on site and we look forward to continuing face to face learning.

Current Guidelines

Visitors to school will be limited to 'essential' over the next two week period. ALL visitors MUST sign in at the school office and use the VIC GOVT QR code otherwise admittance to building is prohibited.

Unfortunately at this time Parents/Carers are NOT permitted to enter the classrooms - I know this will be particularly difficult with our younger children so we will ensure that staff are available to meet and greet students.

Parents/Carers are permitted to enter the ADMIN building but must QR code and school sign in.

Thank you all for your ongoing patience and support during these challenging times. I am constantly in awe of how well you come together to support our students and each other.

Foundation Transition Sessions

We are looking forward to running our first Transition session at Hastings Primary School this term.

Please ensure you contact the office for an enrolment pack so your student is enrolled for these transition sessions.

The sessions are a great opportunity to meet other parents and students plus familiarise students with their learning space for 2022.

We look forward to meeting all of your new Foundation students.
