

Hastings Primary School

News Sheet 1: 2nd February 2022

Welcome Back

Welcome back to all our staff, students and families to term 1 2022.

It has been great to see students settling in to their new classrooms and to finally have everyone onsite.

Communication from Hastings Primary School

We launched Sentral for Parents last year for all students and this will become our main communication platform during 2022 with Flexischools gradually being phased out.

Sentral for Parents allows you to;

- View your child/rens attendance
- Notify the school of absences
- Download reports for your child
- School notifications

We would appreciate if every family could ensure they have both Sentral for Parents and Flexischools downloaded on their chosen device.

Newsletters and news sheets are published on alternative weeks and are available on our website, via the Flexischools App and on the Sentral Parent Portal.

If you need to download any of these applications please use the below QR codes;

flexischools

Contact the office if you need any assistance with applications.

Rapid Antigen Test (R.A.T) Kits

R.A.T kits were distributed to families yesterday. The test kits were sent home with the eldest student. If your child was absent packs are available for collection from the office.

These test packs are to cover the current two– week period with a further delivery and distribution of test kits anticipated for the subsequent period.

It is strongly recommended to test students twice a week. We are suggesting **Mondays** and **Wednesdays** to make it easy to remember.

Students will do their tests at home and only need to report their results if it is COVID– Positive.

What happens if there is a positive case at Hastings Primary School?

If there is an exposure at the school we will provide all parents with a notification via the school applications.

The notification will provide details of the year level affected and the date of exposure. It will advise parents to monitor their child for symptoms.

If your child/ren are not experiencing COVID-19 symptoms they can continue to attend school, but continue to monitor for symptoms.

Before and After School Care Team Kids

We are delighted to have launched our onsite before and afterschool care program this year. Team Kids will be running the program and we have attached a flyer regarding the program for your records.

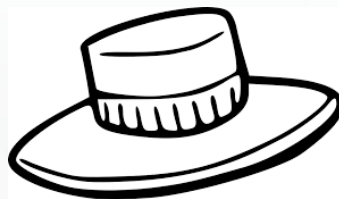

It is strongly recommended that you register your child/ren for the program so that if and when you need to use the services your child can go straight to the hall.

Before school care runs between 7am-8:50am
Afterschool care runs between 3:30pm—6pm

Team Kids can be contacted on 1300 035 000 for any queries or enrolments.

Hats

School hats are required for Term One and can be purchased at the office for \$18.00 each.

Face Masks Reminder

All students, Year 3 and above are required to wear a face mask during indoor class learning. Please continue to ensure you child continues to bring a mask from home.

2022 Books/ Curriculum Contributions

All of the book packs which have been paid in full have been distributed to students classrooms.

We still have a number of book packs available at the office.
