COVID Notification from Hastings Primary

You will have received notifications from the school regarding COVID exposures. It is a department requirement that we keep informing parent of cases when they are reported.

The notifications are not designed to cause alarm. They are to provide awareness and ensure that you continue to maintain COVID safe practice as it is within the school community.

Art Room Supplies

We are calling for donations for the art room. We are looking for newspaper and large shirts that can be used as smocks.
