Term 2 Edition 3

Wednesday 1st June

From the Acting Principals Desk

I want to thank all of the families who came to school last Wednesday as part of our Education Week open afternoon. We hope you enjoyed being in your child's classroom and thank you for the role you play in supporting their education.

Last week our Year 3/4 students went to Frankston to tour the award winning 'Graffiti Trail' and our Year 5/6 students will go next week. The students and staff all had a fabulous time, please see the article further in the newsletter. Thank you to Ms Hermiston for organising this fantastic excursion!

Reconciliation Week

This week is National Reconciliation Week and the theme this year is 'Be Brave. Make Change.' It is a challenge to all Australian's to 'Be Brave' and tackle the unfinished business of reconciliation so we can 'Make Change' for the benefit of all Australians. Our students have been focusing on this learning in the classrooms this week.

COVID-19/RATs

Another box of RATs will be sent home today with your child. It is recommended that RATs are used by students and staff when they are showing any COVID-19 symptoms. RATs are also required to be used for 5 days if a student is a close contact of a confirmed case and then they must wear a mask at school during that time.

Please also ensure you are continuing to notify us and the Department of Health if your child returns a positive RAT result. Thank you for your support.

World Oceans Day

Next Wednesday is World Oceans Day. All students are encouraged to dress in blue or as a sea creature and bring a gold coin donation.

There will be activities designed by our students on the day for all classes as well. Thank you to our iSea iCare and Environmental Leaders for organising this event.

Uniforms

As the colder months approach, we understand our students will be wearing jackets and beanies to keep warm. We highly recommend these items are navy blue to match our uniform. School logo beanies can also be purchased at Primary School Wear (PSW) our official uniform supplier in Mornington. If you are having financial difficulty and need some assistance with winter uniforms, please call the school and chat with me as I will be able to assist you.

Walk to School Day

“Walk to school day aims to improve our daily exercise routines. It also teaches vital road safety skills, like how to use a pedestrian crossing safely. Walking to school is the perfect way to start the day by getting some exercise and fresh air, ready to start school with a clear mind.”

On Friday the 27th May we walked to school together, with our friends, family and teachers. We met at three different locations and walked safely together. After we arrived at school we given a yummy pancake.

Thank you to all parents and carers who walked and supported this worthwhile event .

Now try to keep up the walking to school safely every day!

WHAT'S BEEN HAPPENING?

While last Monday was curriculum planning for teachers, it was friendships and fun activities all day for the children at Team Kids. We dressed up in costumes, made sculptures of hanging monkeys, and played red rover and other games outside before it rained. But the activity voted the most fun was playing with **slime**. Why don't you sign your child up for next curriculum day!

At Before and After school care we are nearly finished building our castle cubby. I think it will become a cosy space for play during winter. We've begun to play with puppets like 'Sir', our turtle puppet who teaches us how to be calm and breathe slowly. Some of the children brought their own favourite bears to introduce to Sir and suggested we start a puppet theatre.

We've also started 'Yoga for kids', learning some great stretches and tricky moves. My favourite is 'The Tree' but I haven't quite mastered it yet.

Come and say hello on Friday and let me introduce you to Chloe our new educator who is studying to be a teacher. Try some of the delicious food we've been making in Cooking Club.
