Wednesday 15th June

From the Acting Principals Desk

REAL SCHOOLS

You may have seen on our Facebook page that our school has made a very important decision lately and that is to become a Restorative School.

Using Restorative Practices isn't something we take lightly. We've been watching what's been happening in the world of education when it comes to creating a strong school culture, to building effective relationships, to resolving conflict and to improving student behaviour and bullying. The bottom line is that we think there's a better way.

Restorative Practices is that way. Working restoratively is really all about asking the right questions to students when things go wrong. You see, most approaches have us putting our detective hats on and focusing everything in the past. It really doesn't get us very far because we never get to the present or the future.

Put simply, we'll be asking your children questions like:

- ◆ What happened?
- ◆ How has that made people feel?
- ◆ And what action needs to be taken to make that better?

It's all about teaching responsibility for your actions and knowing that nobody is going to do it for you. Our job is to help them do just that ... better and better and better.

There's a LOT more to Restorative Practices and we're going to ensure you find out all of it. Next term we will be having a parent information afternoon to tell you all more.

COVID-19/RATs

Another box of RATs will be sent home tomorrow with your child. It is recommended that RATs are used by students and staff when they are showing any COVID-19 symptoms. RATs are also required to be used for 5 days if a student is a close contact of a confirmed case and then they must wear a mask at school during that time. Please also ensure you are continuing to notify us and the Department of Health if your child returns a positive RAT result. Thank you for your support.

Vale Julie Gillard

It is with heavy hearts we let our school community know about the passing of Julie Gillard after a long battle with cancer. As many of you are aware, Julie was a teacher at HPS from 1997-2020, with many of those years spent inspiring students as our Art teacher. She was a strong, kind and caring woman and was loved by many as you may have seen on our Facebook memorial post to her.

Assembly

Next weeks assembly will be at 9:10am on Friday the 24th due to it being the last day of term. We would love to see as many families and parents there as possible.
