Thursday 21st July

Welcome back to Term 3. It has been wonderful returning to school after the holidays to see our students and families enjoying the wonderful winter weather we have been experiencing. We are so fortunate to have such fantastic outdoor facilities to utilise.

Thank you to everyone who was able to attend our Student Led Conferences. Our students have proudly shown their learning and discussed their goals with parents/carers and teachers and are now ready to embark on another term full of learning.

As usual term 3 is action packed with many learning experiences and opportunities. On the horizon we have; meal deals, monthly markets, Equine Therapy, Real School parent session, Whole school Athletics, Angling camp, Father's Day, I Sea I Care, PJ Day Melbourne Star cricket visit and literacy week.

Disabled parking Reminder

We would like to remind everyone that we have two parking spaces at our school designated for disabled parking. These are clearly marked with both a painted symbol and sign.

A disabled parking space can only be used by someone who has been issued with a blue / white disabled parking permit displayed prominently in the vehicle.

Parking in these spaces without a permit is illegal and can lead to an on the spot fine. We appreciate that parking spots are limited but need to ask that you be considerate of our parents and visitors with disabilities that limit their access in to our school.

Face Masks Update

The Department of Education and Training has sent out the following updated advice regarding the wearing of face masks when indoors by students, staff and visitors:

The Victorian Department of Health strongly recommends that face masks are worn in indoor settings. As a result, we are asking all students aged 8 and over and all staff in all schools across Victoria to wear masks when in class (except where removing a mask is necessary for clear communication) from now to the end of winter. Students won't be required or expected to wear masks when outdoors, and this expectation won't stop student participation in the full range of school activities, including music, sport and performances.

We are asking for your support in explaining to your child or children the importance of this simple step that will help keep our school as safe as possible. We also ask that you make sure your child (or children) takes a mask to school (and wears it if they are travelling on public transport) or collects a mask when they arrive at school. We all appreciate how important it is for students to be back at school. This action will help make

sure as many students and staff as possible are protected from COVID and other winter illness. Thank for your help with this collective effort to keep our communities safe and healthy.

From the Assistant Principal

F.O.H.P.S

Our fantastic group of parents met on Monday in the staffroom to plan the events for Term 3. There are lots of fun activities on the horizon for our students!

To start, we have 3 meal deals coming up with term, starting with a hot dog meal deal next Thursday. All notes and money is due to the pelican box by Monday morning.

If you would like to be part of this team and can help with the meal deals or any other events, please pop into our next meeting in the staffroom at 2:30pm on Monday 25th July for a cuppa and a chat!

Monthly Market

The monthly market is back next Friday afternoon at 3:15 (29th July). It is held under the breezeway next to the office. Thanks to everyone came along and supported these 'markets' in term 2.

This term, amongst other things we will have second hand uniform at very cheap prices, canned plants, dream catchers hand made cards, our very own garden produce and party pies if you are hungry!

S.R.C

This week our Student Representative Council planned their next 'event' – pyjama day on Friday 5th August. All proceeds raised will go towards the pyjama foundation - <https://thepyjamafoundation.com> which raises money for children living in care.

Your money will help fund educational resources and help provide stable, positive relationships.

Please see the poster on Facebook and further in the newsletter created by Ruby-Rose. All of the SRC designed posters for their area and they voted on hers to be the one published. Well done Ruby-Rose!

Cancer Council – Daffodil Day in memory of Mrs Gillard

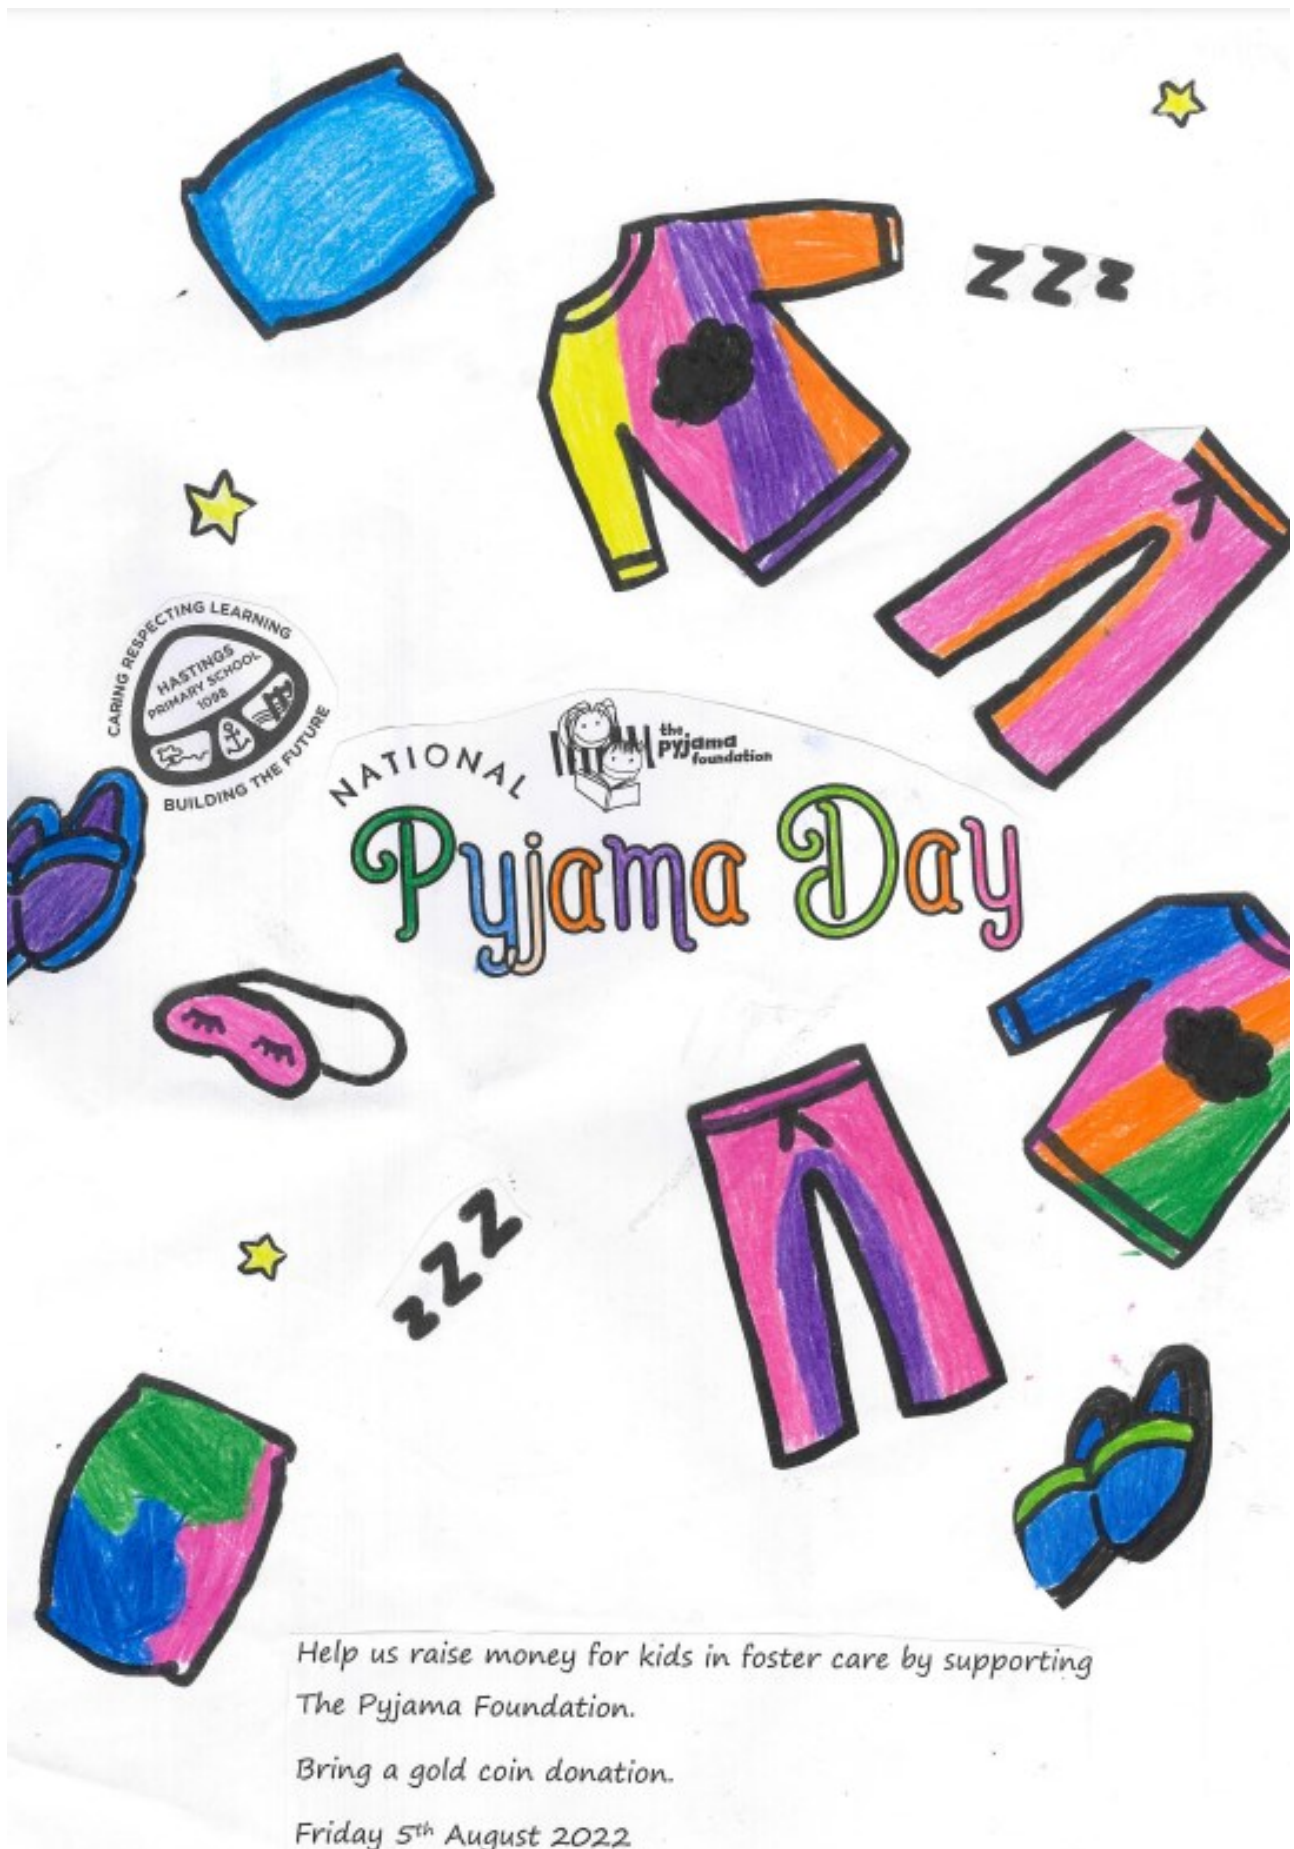

On August 23rd we will be hosting a gold coin donation afternoon tea in memory of Julie Gillard for Daffodil Day. This will be a chance for the community to remember, share stories and celebrate Mrs Gillard. This will also become an annual community event to raise funds for cancer. More information to come in the next newsletter.

It is very cold outside, If you need any assistance with winter uniforms, please come and see me.

Have a great week.

WHAT'S BEEN HAPPENING

Up to 30 children each day came to the Winter School Holiday Program. They enjoyed activities such as rock climbing, Maori dancing, African Drum beating, the movies, close encounters with Australian animals, and lots of inside and outside play together. The beauty of this time is that the children develop friendships and encounter opportunities they may not normally have a chance to be involved in.

The same thing at Before and After School Care (B & A). We are well resourced to provide many games and activities that support your child to grow and have fun. Just ask a parent of a child that comes. They usually beg to come for longer or more days.

So far this term we have played catch with balls and hoola hoops, Ten pin Bowling (with our own home made bowls), indigenous games, and many group games like Red Light, Green Light and Uno.

IMPORTANT DATES

Friday is Pyjama Day so we are snuggling in with warm food and getting cosy with pillows and blankets and playing lots of home games with bedtime stories.

DONT FORGET: Bring your most fun PJs.

Thursday is National LAMINGTON Day named in honour of Lord Lamington (not his real name) who dropped the cake...or did he? Expect to get messy with chocolate and coconut!

REAL SCHOOLS PARENT INFORMATION SESSION

real
schools

School - **Hastings Primary School**

Date & Time - **Tuesday 2nd August 4.30 pm**

- How do Schools and Parents get on the same page about the important stuff?
- How do we build a partnership around building fantastic young people for today and tomorrow?
- How can our Teachers AND our Parents use the same strategies to manage behaviour, encourage responsibility and improve the chances of success?

They seem like outrageously big questions, don't they? And they are ... but they do have answers. Unfortunately, too often Parents and Schools are not on the same page when it comes to answering them. Your school wants to do something about that and has commenced a partnership with Real Schools to make it happen. **But the school can't do it alone. We need you to know everything involved and to have your say.** That's why we need you at this critical event in the history of your school and the future of your children.

During the session, we will:

- Tell you all about the Restorative Practices Partnership that the school is embarking on.
- Ask for your input.
- Provide you with strategies to use immediately in your Parenting ... and they're the same strategies your Teachers are now using.
- Learn how to respond, rather than react, to your child's behaviour.
- Share the best ways to build a meaningful Partnership with your school.

Child-minding will be available. Bookings must be made by Friday the 29th of July - Please call Mrs Legge on 59791517
