Planning for 2023

Our staff give careful consideration to grade structures and this information will be released to students and families during our internal transition in December.

Please do not ask teachers to make special changes. Special circumstances will only be considered after an appointment with the Principal.

Numeracy Day 2022

It was marvelous to see our students buzzing about maths on this year's Numeracy Day. The costumes were creative and clever, with many puns and jokes to add to the days entertainment.

The entire school spent our middle learning session working as mathematicians to solve the challenges created by our talented staff maths team, followed by assembly fun and games, and finished off with awards going to those students who showed great determination in their class.

A special thank you to Mrs. Barrie, Mr. Minehan,

Mr. Hewitt, Mrs. Huguenin, Mrs. Reid, Mrs. Welsh and Miss Aldridge for their work in preparing the games, challenges and awards for the day, ensuring the day was full of excitement.

All funds raised from the day will be donated to State School Relief.

Kingfishers Camp– Golden Valley

Two weeks ago the Kingfishers finally got to go on camp after missing out the previous two years due to Covid19. This year we went to a new camp called Golden Valley's in Flinders.

The campsite was on a massive 180 hectares and was indeed situated in a valley. Activities that the children got to enjoy were – archery, flying fox, big swing, low ropes course, obstacle course and creek studies.

There was also damper cooking, a human foosball set-up, ga-ga ball, giant chess and a soccer pitch. One of the many highlights for the children were the large mobs of resident kangaroo's that populated the camp grounds.

The children were well fed with breakfast, morning tea, lunch, afternoon tea and dinner, it seems every time we turned around there was food on offer.

Golden Valley's has been booked again for next year.

Thank you so much for continuously supporting our school, especially through fundraising. This term, we are hosting a **Colour Explosion School Fun Run** to raise money for our school. Visit www.australianfundraising.com.au to create your child's cybersafe fundraising profile. Instructions are in your child's sponsorship booklet that was sent home Monday. You have until 02/12/22 to fundraise, so make sure you get cracking!

On the day, make sure your child brings a white shirt for the Fun Run! They will be covered in non-toxic, high quality colour powder from head to toe! Parents are invited to attend and run, so make sure you have a white t-shirt too. Students will also need a water bottle and their hat.

How do prizes work? Help your child fundraise more by setting a prize goal online! Students automatically achieve incentive prizes as they fundraise, starting from \$10. The more they raise, the more prizes they receive. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the sponsorship booklet provided.

Monstar Madness. There are heaps of prizes you can win when you fun-raise with Monty! Create your fundraising page in the next 7 days, and you will receive a Holographic Monty Sticker! Check out your sponsorship booklet for more awesome Monty prizes up for grabs, like a Monty Plush toy, a bag tag or a high-bounce handball!

Class	Week Ending	Friday 14th October
PA	Finn Haver	Phenomenal Finn! You continue to flourish in and outside our classroom. The effort you display with all of your learning is fantastic, especially during writing this week. I cannot wait to read your wonderful persuasive piece when it's complete. Keep it up!
P1B	Eva George	Eva you are a kind, caring and valued member of P/1B. Your kindness and generosity shines through every day at school. You greatly value the feelings and ideas of your classmates and go out of your way to be good friend to those who need it. We are so lucky to have you in our class Eva. Well done.

1/2B	Cole Jacob	Well done Cole for completing all your punctuation work! You have worked incredibly hard this week to finish the boundary punctuation tasks on time and to the best of your ability. You tried hard to remember your punctuation and took care to ensure your writing was neat and with finger spaces. What a great achievement you have made!
3/4A	Alex Ralston	Alex, although we were all very tired after camp I was impressed by your enthusiastic contributions to our drumbeat lessons this week. You have given it your all! You also threw yourself into camp activities earlier in the week and should be proud of the courage you displayed especially on the giant swing. Congratulations Alex!
3/4B	Amelia Cacek	Amelia, you have made outstanding progress this year with your reading. You have completed 225 nights of reading which is quite remarkable. You read every night including the weekends and holidays and this has resulted in you now moving into the Lexile reading program. Congratulations Amelia!
3/4C	Regan Healey	Regan you were one of many outstanding campers this week at Golden Valley but I noticed that in my group you were the most helpful. Not only did you look out for your fellow team members, you also appeared to be having lots of fun with our activities, if all the giggling is anything to go by!
5/6A	Amelia Jackson	Congratulations Amelia. Throughout the year you have continued to be an exceptional role model. A humble achiever, Amelia you always extend yourself in all aspects of your learning, academic, social, personal and in the sporting arena. Well done Amelia!
5/6B	Serenity Guertner	Serenity, your focus in maths of late can be likened to a hovering eagle that is on the look out for prey. You are intent on making opportunities to improve your learning. Way to go Serenity!
