## Term 4 Edition 4

### Wednesday 23rd November

#### Caring/Respecting/Learning

What a wintery blast of weather we have been experiencing recently. It's been great to see our students not letting the weather discourage them and still making the most of their learning opportunities outside.

With the official start of Summer just around the corner I'm confident we will shortly start feeling warmer.

#### Staffing News

##### **Katherine Sendeckyj**

We would like to welcome Katherine to the Specialist teaching team at Hastings PS. Katherine, is passionate about Health and Physical Education and comes to us with a background as an Artistic Gymnastics athlete and coach. Staff are currently finalising class structures for 2023.

If you have any specific requests please ensure you email the principal for further consideration.

## Internal Transition

Our internal 'step up' program begins next week, with our first internal transition session happening **Monday 28th November**.

Transitions (whether they are from kinder to Prep, year level to year level or primary to secondary) can be a stressful and anxious time for many students. Research supports the notion that skills targeted in transition programs enhance student resilience, support relationship skills/development and build social skills that improve connection to peers and teachers.

Research also suggests that transition programs make a positive difference to students and increase visible teacher support, therefore promoting meaningful relationships between students and between staff and students. It promotes student self-efficacy provides information, opportunities for discussion, awareness of expectations. It also gives students a foundation of understanding prior to the school holidays beginning.

## Internal 'step up' dates

**Monday 28th November**— Students move up to their new area for next year.

**Monday 5th December**— Students move up to their new area for next year.

**Tuesday 13th December** – Students move up to their new area for next year.

**Thursday 15th December**— Students meet their teacher for 2023.

## Year 6 W.P.S.C Transition Day

Next week on **Tuesday 29th November** our Year 6 students will be involved in a transition day at Westernport Secondary College.

They will participate in getting to know you activities, meet the year 7 team and have the chance to ask questions about next year.

During this time they also did a reading test so the high school have some base results.

The next transition is state-wide transition day on the **Tuesday 13th December**.

We are wishing all of our students the best of luck with their transition sessions.

## COLOUR EXPLOSION FUN RUN

Can you believe the colour run is **next Friday!!** You have all been working so hard setting up your profile pages and getting sponsored! 😊 Because of you, we have already raised a WHOPPING **\$5,870.00**. The fundraising has completely surpassed our expectations and the SRC have taken some ideas to the classes for a vote from our students to promote student voice on how to spend the money.

**Mr Hewitt's** class is still the highest class on the leader board and **Sophie** from 34C is our highest individual fundraiser so far. Great effort! Did you know the highest individual fundraiser from our school will go into a national draw to win a JB HiFi shopping spree with \$10k 🏆

It's not too late to visit [www.australianfundraising.com.au](http://www.australianfundraising.com.au) to create your profile page and share with family and friends to spread the word! 📱 There are lots of interactive features, and plenty of rewards up for grabs, like free incentive prize credit! \$10 is all you need to raise. All students who raise \$25 or over are in the draw to nominate a teacher to slime! This competition will be drawn at this week's assembly.

Don't forget all students need to wear a white-shirt. We have headbands and glasses for them to wear on the day. We would also advise you bring a towel for them to sit on in the car for the drive home!

The fun begins at 1:30pm and we would love to have as many of our parents join us for the run on the day as possible, so make sure you have a white t-shirt ready to wear. We will have a parent/staff 'run' at 2:45pm!

If you would like to volunteer to help out, please let me know ASAP!

Get ready for the brightest day at school! Thank you again for your support and happy fundraising!

## **FATHERING PROJECT**

Have you heard of the Fathering Project? The Fathering Project is an evidence-based organisation that aims to promote positive fathering behaviours and fathers' engagement with their infants, preschool, primary school and adolescent-aged children. They are proud to be the first intervention program to be implemented in Australia which focuses on the fathers of all children.

We're living through a time of rapid social change, where community views of fatherhood are actively changing. Many fathers and father figures are struggling to fulfil the joys, challenges and responsibilities of being an engaged dad. Many Dads are struggling alone, contributing to poor mental health outcomes and higher rates of suicide and domestic violence. Delivering engaging prevention and intervention programs and research-based resources will equip fathers with the skills to be the best Dad they can be and improve the lives of fathers, children and families for generations to come. **Next year Hastings Primary School will be part of the Fathering Project and we are very excited!** We will have a big launch in Term 1. If you are interested in knowing more before then, go to <https://thefatheringproject.org/>, sign up, search our school and join our group.

Have a great week,

Mrs Rebecca Legge  
*Assistant Principal*
