

Hastings Primary School

October 2025

Dear parent/guardian,

Hastings Primary School would like to thank you for your financial support as we endeavour to provide the best possible education for your child.

Within our school this support has allowed us to provide special curriculum experiences, enhanced digital learning opportunities, upgrade of our library, upgrade of our playground, faster WIFI and internet.

Our school is committed to ensuring that parent payment requests are accurate, transparent, affordable, and aligned with our requirements as a Victorian Government school. It has recently come to our attention that some changes are required to our parent payment arrangements to ensure they are clear and transparent. Accordingly, we have updated and re-published this year's parent payment arrangements on our school website.

If you have made your parent payments this year and still wish to contribute towards the listed items and activities, no further action is required. However, if the updated arrangements change what you are interested in contributing towards and/or purchasing, please reach out and we can provide you with a line of credit towards other future costs. We can also provide you with a refund if required.

Thank you again for your continued support of our school. If you would like to discuss this matter further, please contact:

Simone McDonald – Principal

This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
